

# ELL Foundations: Level 1

## Course Overview and Goals

The ELL Foundations: Level 1 course offers 32 multicultural reading selections in the following genres: myths and legends, biographies, poetry, short stories, and articles. Instructional materials are written at levels aligned to The Lexile® Framework for Reading, a scientific approach to reading measurement that provides a common scale for matching reader ability and text difficulty. It links your ability to read to the linguistic complexity of the selections provided. Alignment to the Lexile® Framework allows you to monitor your progress within the Lexile® scale. ELL Foundations: Level 1's instructional materials cover a readability span from 200L to 490L, which are broken into three sublevels:

- Level 1.1 (200L-290L)
- Level 1.2 (300L-410L)
- Level 1.3 (420L-490L)

Online activities allow you to work independently. These activities can be repeated as often as necessary to ensure the mastery of ELL reading skills and vocabulary development. Each lesson provides an online Tutorial for you to do on your own or in a group as well as an online mastery test.

By the end of this course, you will be able to do the following:

- ❖ Rely on context to determine meanings of words and phrases
- ❖ Identify and explain main ideas and their supporting details understand and analyze the differences in structure and purpose between various categories of informational materials

## Scope and Sequence

This course is divided into three units that are defined by the Lexile® levels of their source texts. Pacing guidance is provided below for students who will work through the entire course on a 90-day semester schedule. Note that many students may not follow this schedule or may be using the course curriculum according to a different model.

### LEVEL 1.1 (DAYS 1 – 23)

In this unit, you will learn new vocabulary, use vocabulary in context, and study word meanings systematically across curricular content areas. You will also practice answering questions with “is there” and “are there.” You will understand basic structures, expressions, and vocabulary such as school environment. You will identify the author’s purpose for writing, identify words with suffixes, identify complete sentences, and distinguish between the main idea and supporting details.
